Biography

I have a teaching experience of more than 25 years. During this period, I have delivered lectures on several courses of Mathematics and Statistics. I focus on interdisciplinary applications of Statistics and Mathematics to problems from Health, Energy and Environment. I was Head of the Department of Natural Sciences from Oct. 2013 to April 2017.

I have completed PhD from Department of Computer Science and Mathematics, University of Osnabrueck, Germany in 2000. I was supported by DAAD fellowship during my PhD study.

I have completed Bachelors (Honours) and Masters in Mathematical Statistics from Lady Shri Ram College, New Delhi, India in 1990 and 1992 respectively.
